

LEONARDO DA VINCI UNIVERSITY

ComUE UCLdV

Leonardo da Vinci University (UCLdV) is the association of Poitiers & Limoges Universities with ISAE-ENSMA aeronautics engineering school.

UCLdV welcomes more than **45,000 students**, 15 % of whom are international students. UCLdV gather around **3,200 researchers** and about **1,500 doctoral** students in 8 doctoral schools. These institutions, thanks to their **65 laboratories**, are renowned in a variety of scientific fields such as engineering sciences, aeronautics, transport, materials sciences, computer sciences, communication, robotics, artificial intelligence, biology and medical sciences, chemistry, bioeconomy and environment, human and social sciences, economics and law.

Members of UCLdV

University of Poitiers

One of the oldest multidisciplinary universities in Europe (founded in 1431) offering the best studying and research conditions.

- 29 000 Students
- 3 000 Staff
- 37 Laboratories
- 5 Institutes
- 8 Schools & Colleges
- 1 Engineering school (ENSI Poitiers)

ISAE-ENSMA

One of the major higher education and research institutions in aeronautical and space engineering.

- 600 Students (MS and PhD)
- 250 Staff
- 2 Laboratories

University of Limoges

A major multidisciplinary university set in an ideal environment for higher education and scientific fulfilment.

- 17 000 Students
- 1 800 staff
- 20 Laboratories
- 5 Institutes
- 5 Schools & Colleges
- 2 Engineering schools (Limoges School of Engineering (ENSIL-ENSCI) and 3IL)

UNIVERSITÉ CONFÉDÉRALE LEONARDO DA VINCI
